

CNYAMT Scary Scores 2021 is Going Virtual!!

A Mad Medley of Mysterious Music

Due to the ongoing and unpredictable pandemic, **Scary Scores** will be going virtual again this year! Students are invited to dress up in their coolest Halloween costumes or decorate their performance area and create a video of their Halloween themed performance.

The video should be emailed to Robbie Padilla, CNYAMT member, for editing and assembling. Joanne Mroczek, our tech manager, has created our own [YouTube link on the website](#) for viewing.

All videos can be sent to rpadillamusic@gmail.com. If your video file is too large to be sent in email, you can share via cloud storage such as Google Drive, DropBox, iCloud, among others, making sure you grant Robbie viewing access. Please do not share videos via text message as the quality gets greatly reduced that way.

Information to include with video:

- Student's Name*
- Teacher's Name
- Performance Piece
- Composer & Arranger (if applicable)

Videos are due by **October 16th** and will be available for viewing starting **October 29th**.

Participation in **Scary Scores** will be counted as a CNYAMT event and can be applied towards scholarships and awards.

We always have a very successful donation vase at the event. If you would like to make a donation to our scholarship fund you may do so at cnyamt.org.

Please email or text us if you have any questions. This is a work in progress and we welcome your input.

Sincerely,
